FEW WINNING FAVORITES

RACE FOR ST. VALENTINE.

Komoka's Brilliant Rush a Feature of Sport at Bennings.

[By Telegraph to The Tribune.]
Washington, Nov. 28.—Over a track that was dead and slow four favorites went down to inglorious defeat at the Bennings racetrack to-day. It was not until the last two races that form players got any encouragement, and by that time money was scarce and confidence was lacking. The day was dull and showery, and those who made the journey to the track found little to offset the discomforting conditions. Five of the six winners won as they pleased and there was only one close finish to vary the monotony and arouse any degree of

With the exception of the handleap at one mile and three-sixteenths, won by St. Valentine, the fields had little to boast of in the matter of class.

Even the handicap had little to recommend it in this respect outside of the three placed horses. St. Valentine was the favorite at 8 to 5, while Louis H., on the strength of his good race last Saturday, when he was beaten only a head in the Special, was a strong second choice, backed from 4 to 1 to 3 to 1. He was slow to settle in his stride as usual and had too much to do in the stretch to threaten St. Valentine. He closed resolutely, however, and easily beat the others. St. Valentine, at top weight, raced Peter Paul into submission in the first half mile and then came away as he pleased. Poor little Peter Paul gets no let-up. He is honest and does his best day after day, but begins to show the effects of the drilling he has had in the last three weeks.

Komoka won the third race at a mile and forty yards like a veritable Sysonby. He was badly interfered with at the start, and all but When Romanelli got him straightened out he was a bad last, some ten or twelve lengths behind the leaders. Some jockeys would have pulled up, but not so Romanelli. He sent him along, and Komoka was so much the best that he fairly ran over his field from the last fur-

he fairly ran over his field from the last furlong pole and won going away by three or four
lengths. Flat outgamed Samuel H. Harris for
the place. Andrew Mack looked the probable
winner a sixteenth of a mile from home, but
hung in the last few strides.

Delphie and Sunray furnished the one close
finish of the day in the fifth race. They hooked
up a quarter of a mile from the judges and
fought a desperate finish to the end, Powers and
J. Henderson, the riders, being of little help.
Delphie got the decision, although Sunray was
probably the best.

Azeline, Akbar and Hocus Pocus, the other
winners, made their fields look cheap in each
case.

THOROUGHBRED NEWS AND NOTE

Notice has been given by the Jockey Club of a proposed emendment to the bylaws, to be acted upon at the regular monthly meeting on December

Article I. Section 4.—The name of every member failing to pay his annual dues shall, on the first day of the following month of July, be posted in the office of the club, and a notice thereon shall be mailed to such member or his agent, and, if such annual dues be not paid on or before the first lay of August following, the person so falling to pay shall cease to be a member of the club and his name shall be erased from the list of members, but the club shall have power, by a two-thirds vote of the members present at any stated meeting, to remit penalties for offences against the rules and for accidental violations of the constitution.

Andrew Miller and his associates in a breeding bought Handspring from Phil Dwyer, president of the Brooklyn Jockey Club. The son of Handyer, which in his racing days was a strong rival of Hastings, will be placed at the head of the stud which the new firm is getting together. The price paid is said to have been \$5,000.

BARGAIN DAY AT SALE.

Prices Ruled Small at Old Glory Auction Yesterday.

Discriminating buyers were able to pick up some fair bargains at the Fasig-Tipton Company's Old Glory sale of light harness horses at Madison Square Garden yesterday. It is getting near the end of the catalogue, and the stock was hardly as good as during the earlier days of the sale. For that reason the average fell off. Some good roadsters and matinee horses were offered. however, and, all things considered, the prices were of a kind that reflected the strength of the market.

During the morning and afternoon sessions the prices ranged between \$60 for Barness Oaks to \$475 for Bozel, while the average was close to \$200. M. F. McDonald, of this city, bought Bozel, and he has no reason to regret the purchase. Bozel is a five-year-old trotting mare with a trial of 2.281/2. She was owned by the late Edward R. Ladew, and was considered by him a great racing prospect for the smaller meetings. She showed to advantage even on the small track at the Garden, and a record of 2.18 should be quite within her capabilities.

One hundred and seven head were sold yesterday for a total of \$21,110, an average of \$207. The grand total to date is 803 head for \$381,-470, an average of \$432.

THE ARMY-NAVY GAME.

PRESIDENT WILL ATTEND.

Preparations Complete for Handling Big Crowd Saturday.

(By Telegraph to The Tribune.)
Princeton, N. J., Nov. 28.—All preparations for the Army-Navy game on Saturday are now complete, and, judging by the sale of seats, the largest crowd that has ever witnessed the annual gridiron contest between the two arms of the service will be on hand. The Princeton field stands have been enlarged and temporary ones erected so that there is now a seating capacity of nearly twenty-seven thousand. Already twenty-six thousand seats have been sold. This is nearly five thousand more than last year.

President Roosevelt, the guest of the occasion will arrive with his party on a special train about noon on Saturday and will be entertained by President and Mrs. Woodrow Wilson at Prospect. Following the luncheon the party will go direct to the game, scheduled for 2 o'clock.

In the President's party will be Mrs. Roosevelt, Miss Roosevelt, Miss Ethel Roosevelt, Secretary and Mrs. Root and Edward Root, Captain and Mrs. W. S. Cowles and Secretary Loeb.

Some of the highest and most distinguished officers of the army and navy will attend and make their headquarters at Princeton Inn, where both teams will also be accommodated. The other officers of President Roosevelt's train have accepted invitations for luncheon as guests of the various upper clubs of the university. The cadets and middles and many officers will be accommodated in the new gymnasium. Numerous caterers will provide tents and other places suitable to accommodate about four thousand.

able to accommodate about four thousand.

Mr. Murray, manager of the Princeton Athletic
Association, has announced that 200 seats can
still be had on application to him.

The Princeton football team has accepted the
invitation of Pennsylvania to attend the Pennsylvania-Cornell game on Thanksgiving Day. The
Cornell team will come here to witness the

SIGNAL DRILL FOR NAVY TEAM.

The Eleven Particularly Strong in Substitutes-Officials for Game.

[By Telegraph to The Tribune.]
Annapolis, Md., Nov. 28.—There was some rain here to-day, and the Navy football team did not line up against the scrub for a scrimmage. A long signal practice was held, however, and some of the attack formations were gone over until every man enew his place perfectly.

The eleven, particularly the backs, are in shape to make a fast pace from the beginning of the game with the Army on Saturday. The return of Douglass to the game was particularly gratifying, as he is the best back in the academy when in shape, and he team will not be weakened if either Spencer or Doherty is forced to retire. In the same way Bernard can go in for either half and keep up the

pace, or Smith for Ghormley at full, or Norton for Deck at quarter.

In the line the Navy has one or more substitutes for each position who is only a little below the standard of the regular man. Piersol, the left tackle, who twisted his knee, was again on the fleu to-day, and he has made decided progress since yesterday. It has been determined that Robert D. Wrenn, of Harvard, will umpire the game at Princeton next Saturday. Edgar Wrightington, of Harvard, will referee, and Mr. Roper, of Princeton, will be chief

ARMY ELEVEN WORKS IN SNOW.

Captain Gillespie Back in Line-up-Fum-

bling Chief Fault of Team.

[By Telegraph to The Tribune.] West Point, N. Y., Nov. 28.—The Army football eleven will have its last hard practice of the week to-morrow, and after that the work will be fined to signal and formation drill for the Navy game Saturday. The coaches are rapidly perfecting the new set of signals which will be used, and the gymnasium is used by the football team for signal practice every evening.

This is the only secret work of the team. At noon to-day a snowstorm broke, and before the classes were dismissed at 3 o'clock the field was two inches deep with the fluffy covering, and the gridiron was in a soggy condition.

Notwithstanding this, however, the coaches had the men out, and in some respects the storm was of great value, as all this fall the weather conditions

have been ideal, and the team has had no experience with slippery pigskin.

There was much fumbling to-day, and as this has been the greatest weakness of the eleven this year the Army adherents fear the consequences. In the Harvard game a fumble lost it for the cadets; in the Indian game a fumble gave the redskins their score, and a fumble also allowed Jack Cates to gobble in the leather and gallop over for Yale's first touchdown.

Cantein Gillespie was in the line-up to-day, and

first touchdown.
Captain Gillespie was in the line-up to-day, and has fully recovered from the injury received last week, which kept him out of the Syracuse game. Garey's broken finger is mending rapidly, and if properly protected he may start the Navy game.

FORDHAM TO PLAY HOLY CROSS.

Two Elevens Will Line Up To-morrow in Only Local College Game.

The Fordham University football eleven is ready for the game at Fordham Field to-morrow after-noon with the Holy Cross team. Fordham's vic-tories over Rensselaer Polytechnic, University of Maryland, St. Francis College, Delaware University and Rutgers, have inspired Captain Gargan, his men and the undergraduates with the hope of winning against the Worcester eleven.

Holy Cross has been playing a strong game this season, and has succeeded in defeating some of the best New-England teams; including Amherst, Tufts and the Springfield Training School. Although Fordham will be outweighted fifteen pounds to a

Fordham will be outweighted fifteen pounds to a man, the wearers of the maroon will make up for this deficiency in their fleetness of foot and in their accuracy of play.

The eleven was put through a thorough signal and formation drill yesterday. Captain Gargan has announced the following line-up: Left end, Cornwall; left tackle, Coffey; left guard, Goveney; centre, White; right guard, Glennon; right tackle, McGee; right end, Siskind; quarterback, Gargan; left halfback, Miller; right halfback, McCarthy; fullback, McCabe.

HURLEY CONTINUES TO IMPROVE.

Harvard Captain Likely To Be Discharged from Hospital Saturday.

Boston, Nov. 28.-The condition of Captain Daniel J. Hurley, of the Harvard football team, was im-proved to-day. Mr. Hurley was reported as com-fortable at the City Hospital. He spent considerfortable at the City Hospital. He spent considerable time walking about the building and grounds. The following official bulletin was issued at 11 o'clock this morning: "Captain Hurley continues to improve, and if present progress continues will leave the hospital on Saturday."

QUIET DAY FOR QUAKER SQUAD.

[By Telegraph to The Tribune.]
Philadelphia, Nov. 28.—The Pennsylvania football squad spent a quiet day at Winslow Junction, N. J., to-day. Several of the men are still suffering from bruises received in the Columbia game last Saturday, and Mike Murphy and the coaches are devoting all their time to bringing these men around. Folwell, the fullback, who has been out of the game for some time on account of injuries, and Hobson, the left guard, who because of a death in his family has been away for more than a week, will be in the line-up against Cornell.

The sale of tickets for the game to-morrow shows that the crowd to witness the Cornell game will be the largest of the season in Philadelphia.

HILLANDALE GOLF CLUB DISBANDS.

Proximity of Other Clubs the Cause-Wilcox Must Undergo Operation.

After an existence extending over a period of even years, the Hillandale Golf Club, near Stam ford, Conn., has decided to dishand, Edward Leavitt, in the early days quite a prominent amateur golfer, laid out the course, which is of nine holes, covering a playing distance of 2,854 yards. The proximity of the Wee Burn Golf Club and the Sound Beach Country Club, two prosperous bodies, kept the Hillandale membership smaller than desired.

Harold Wilcox, of Montclair, former champion of ated on for appendicitis to-day. He was brought home from Williams College a few days ago, suffering from the trouble. It was a year ago last May that Wilcox, then a student at St. Paul's School, Garden City, created quite a stir in the golfing world by winning the Metropolitan Golf Association title. A few weeks ago he won the Montclair Golf Club championship, defeating Maurice Whitlatch in the final, the match being carried to the thirty-seventh green.

ATLANTA WANTS TOURNAMENT.

Movement to Have Southern Lawn Tennis Championship Held There.

Atlanta, Nov. 28.-A strong effort will be made w the Atlanta Athletic Club and other organizations belonging to the Southern Lawn Tennis Association to have the executive committee of the National Lawn Tennis Association arrange for the transfer of the annual tournament at which the championship of the South is decided from Washington to Atlanta.

GIANTS WILL TRAIN AT MEMPHIS.

Several Exhibition Games Already Arranged for Southern Trip.

Arrangements for the spring training trip of the Giants, world's baseball champions, are rapidly being made, and the plans for the invasion of the South are practically settled. McGraw and the players will report at Memphis on March 1, where they will remain until March 20, playing some ex-hibition games with the local team. McGraw dehibition games with the local team. McGraw determined on this location, as he desired to get further away from the seacoast, where the team is not as liable to encounter cold, damp weather. On March 24 the team will play at Nashville, and other games have been arranged as follows: Louisville, March 21 and April 1; Indianapolis, April 2, and Wheeling, April 5. The team will arrive in New-York to play Yale University on April 7. It is likely that games will also be arranged with Little Rock, Dayton and Columbus.

OUTLOOK BRIGHT FOR TROTTING.

A. J. Welch Thinks Grand Circuit Will Be Stronger than Ever.

A. J. Welch, the owner of Charter Oak Park, at Hartford, and Oakley Park, at Cincinnati, was one of the prominent trotting horse enthusiasts at the horse auction at Madison Square Garden. Mr. Welch came down from Hartford to renew ac-quaintances and incidentally to talk horse. Speaking of the Grand Circuit season of 1905 and of the prospects for next year, he said:

The meetings at Hartford and Cincinnati last summer were satisfactory, and I expect that next year the Grand Circuit will be better and stronger than ever. The weather lost summer was bod all over the circuit, but that is something that cannot be helped. There will be nothing left undone to make the 1996 programmes at Hartford and Cincinnati appeal to the horsemen.

CRITICISM FOR INSIGNIA COMMITTEE.

Columbia Men Not Satisfied with "C" Awards for the Football Eleven. Much dissatisfaction is expressed among the stu-

dents at Columbia over the action of the insignia committee in falling to award the 'varsity "C" to J. J. Ryan and A. Lindo, two members of the football squad who have been out ever since the beginning of the season. As others who played in fewer games received the award, the action is looked upon by many as unjust discrimination against these men. Lindo started at fullback in the Cornell game, besides playing against both Yale and Pennsylvania, while Ryan played in the hale and Pennsylvania, while Ryan played in the same three games, Carter, who played in only the Princeton and the Pennsylvania games, re-ceived his award, as did Enos, who has not played in any game since that against Yale.

W. R. Morley, coach of the eleven, has expressed his dissatisfaction that awards were not made to these men. His opinion is evidently not shared by D. H. Browne, H. B. Post and J. R. Fisher, the three members of the 'varsity team who are on the insignia committee. The other members of the committee are W. A. Tilb, captain of the base-ball team, and C. A. Fulton, captain of the track

Under the rule passed last year by the com-mittee, both Lindo and Ryan were entitled to their letter. The rule declared that any man who played in the Yale, Princeton, Pennsylvania and Cornell games, or who played in 69 per cent of the games, including one of the big games, was entitled to his "C," providing he remained out for practice the whole season. At its recent meeting the committee changed the rule to read: "Resolved, That a 'C' be awarded for each posi-tion on the 'varsity football eleven, and, further-

more, that if in case of injury or for any other reason one man has not played the position to the exclusion of any other man, enough to be considered beyond reasonable dcubt the holder of that position, that the said position be considered as shared by both." Under this rule it was left to the discretion of

Under this rule it was left to the discretion of the committee as to what men should receive the letter, and it decided as follows: J. R. Fisher, '07 L; (captain); W. Fisher, '07 L; F. H. Duden, '06 S. T. W. Ross, '09; A. Algeltinger, '07 S; H. F. Davis, '08 S; D. H. Browne, P. G.; P. W. von Saltza, '08 S; G. L. Helmrich, '08 S; D. Armstrong, '07 L; H. B. Post, '08 S; H. C. Enos, '06 S; E. T. Collins, '07; W. J. Donovan, '07 L; D. S. Carter, '06, and G. B. Curtis, '06 S, manager.

HEMERY REINSTATED.

Winner of Vanderbilt Cup Race in Good Standing Again.

August Hemery, the winner of the recent Vanderbilt Cup race, who was suspended for a year by the Automobile Club of France for discourtesy to the judges at the Florio Cup race in Italy, last summer, has been reinstated, according to Robert Coquella, Editor of "L'Auto," a Paris automobile daily. Mr. Coquella arrived in this city a few days ago for a brief stay.

Hemery, when he returned to France after win ning the Vanderbilt Cup race, wrote a letter of apology to the judges, Mr. Coquella said, and was pardened for the offence, although he will have to

pay a fine.

Mr. Coquella also says that the French government will allow only one big road race next year, and as the Automobile Club of France is anxious to run the Grand Prix, the Gordon-Bennett Cup race and the Vanderbilt Cup race would have to be in conjunction, if run at all.

ALCOHOL AS A FUEL DISCUSSED. Widden Graham lectured on "Alcohol as a Motor

Fuel" at the Automobile Club of America last night. Among the members present who took part in the discussion on the subject which followed were Colonel John Jacob Astor and George Ahrents, who had such a narrow escape when his car turned turtle in the Vanderbilt Cup race in

Mr. Graham sald that the United States was the only country which differentiated between alcohol only country which differentiated between absolu-used as a beverage and alcohol used for industrial purposes. Other countries do not tax alcohol used in motors. He spoke of the advantages of alcohol over gasolene as a fuel, and maintained that if tha tax were removed it would be used in many cases instead of gasolene. He also advocated the removal of the tax and asked the members to use their influence to that end.

TO INCREASE CLUB MEMBERSHIP. At a meeting of the board of governors of the Automobile Club of America held yesterday it was

Supreme Court Supports Him in Fight for Low Fares.

Columbus, Ohio, Nov. 28 .- By a decision of the Supreme Court to-day, Mayor Tom L. Johnson of Cleveland wins a victory in his fight for threecent fares. On one ground or another, all the other franchise ordinances granted by the Cleveland City Council proposing three-cent fares have been set aside by the courts in litigation inspired by the opposition companies. The court to-day reversed the judgment of the Circuit Court of Cuyahoga County in the case of the Forest City Railway Company and E. A. Greene vs. W. J. Day, and dismissed the petition of the plaintiff below. This is final.

The franchise given in Dennison-ave, to the Forest City Railway Company and Greene provides for three-cent fares. Day, a property owner, presumably in the interest of the opposition companies, enjoined the company from acting under it on the ground that it was not leadly greated. legally granted

MERCHANT MARINE BILL CHANGES.

Amendments to Help Still Further American Ships in Foreign Trade. Washington, Nov. 28,-The Merchant Marine

Commission, composed of Senators and Representatives, held a meeting to-day to consider

commission, composed of Senators and Representatives, held a meeting to-day to consider amendments to the Ship Sudsidy bill presented to the last Congress. Those present were Senator Gallinger, chairman; Senator Lodge and Representatives Minor, of Wisconsin, and Spight, of Mississippi. Eugene T. Chamberlain, Commissioner of Navigation, also attended.

The commission took up the revision of the bill by sections, making several verbal changes for the sake of added clearness and precision, and limiting the subventions absolutely to ships engaged principally in the foreign trade as distinct from the coastwise commerce, from which foreign competition has always been excluded. Another amendment provides specifically that no vessel receiving a subvention under the terms of the bill shall receive any other subvention, bounty or subsidy from the United States.

Still another amendment requires that one-half of the deck force of ships receiving subventions shall be able seamen, who have served at least two years on deck. The commission is considering the question of providing especial and extra inducements for American vessels to participate more largely than now in the carrying trade between the United States and the Philippine possessions. The commission will meet again on Friday.

STAGGERING BLOW FOR RAILROADS

Ticket Brokers Show They Violate Anti-Trust Law. [By Telegraph to The Tribune]

Et Paso, Tex., Nov. 28.-District Judge Goggin

to-day dealt a blow to the railroads that they were not looking for. The roads were trying to scalpers from handling tickets here, but the scalpers began introducing evidence to prove the rail roads in a trust to keep up prices in maintaining the various passenger associations. So well did they introduce evidence that Judge Goggin dethey introduce evidence that Judge Goggin de-clared from the bench that roads which would go into such a combination as all have done in the various passenger rate associations deserved no orotection—that they were themselves engaged in illegal business in restraint of competition. The ticket brokers, who are backed by the American Association, declared they would at once go after the passenger association officials in the federal court for violating the Sherman Anti-Trust law. The decision created a sensation.
